Game Candy Mandy: Race your Candy Mandy, through various boards, covering them with your own colorful stripes. First, get your figure off the ground - then it will work harder than ever to outstrip your opponent. Special bonuses can be earned. Have fun and relax! To complete a stage your Candy Mandy must: Move forward Collect candy Get off the ground. The game is composed of a 3-level difficulty option and contains more than 100 levels, bonus levels, bonus items, power-ups and extra lives. Game Candy Mandy is a skill game. Challenge your brain with this jigsaw puzzle to see how many the level you complete. The more you move in the level, the more points you get. The game features more than 100 levels to complete and various power-ups, symbols and bonuses. Brush the fingers on the screen to shoot the game platform - which is always moving to the left. It will disappear if you don't shoot it quickly enough, and then you will lose. The game is composed of 100 levels with various bonuses. Each level consists of 9 stages with a challenge for you to move faster, shoot faster and get to the end. Welcome to the cool world of Hoops: the first basketball game for kids. Your goal is to play the player shooting the ball with a different players team. Make sure you have your team in the lead or lose. Change the position of your players and try to shoot the ball down towards the hoop. Leo's Maze: A Leo is looking for a way to the outside of the labyrinth. Play Leo's Maze game and help Leo to find the way. The game is simple, but interesting and educative. Score combos in the most efficient way as you move clockwise around the dizzy world. Each turn you gain points, but coins will subtract. If you lose, the life bar fills up and your chances of success decrease. The entire game is composed of over 100 levels and three difficulty options. The goal of the game is to strategically move your player around the map as it fills with coins, reaching the end. Only the top scoring players are ranked up to the next level, so keep those coins coming. Once the player has reached the end of the map, he is thrown out of the realm, and the game continues with another player. Have fun with Leo's Maze game! Get in

How to join:

Your Game Creator allows you to easily whitelist and blacklist games before you distribute the app from player to player. As soon as a player downloads your game and is able to access the network, that player enters into a peer-to-peer connection and they will discover all the other games hosted on that peer. So you can easily send a message to any one that joins you.

Highlights:

- Being extremely lightweight and fast
- Easy to use
- Easy and fast peer discovery
- Data encrypted with AES
- Delivers unique dynamic ads
